- a. Note the Report.
- b. Request the Clerk to submit the report to the relevant officers at RVBC and LCC.

16. COUNCILLOR REPORTS.

1. Cllr. Rogerson updated members on the Towneley Gardens Event Space project.

Background - provided for these minutes by the Clerk:

At a RVBC committee meeting held in June 2024, members allocated £10,000 of UKSPF to the design of the Towneley Garden event space, this was due to the inability to secure a 'design and build' contract for the work. As such work progressed wholly on the design element of the scheme. There were delays to commencing this work due to contractual queries and the final concept design was produced in March 2025, as the original UKSPF funding had to be utilised by end of March 2025.

Update:

- The design concept has been shared with RVBC's Policy and Finance Committee.
- Winston Robinson Head of Engineering at RVBC who is responsible for getting the costs, has been unable to get the exact costs of the stone benches etc. proposed to be sourced from the local quarry.
- The scheme as is currently proposed far exceeds the original £90,000 allocated to the project.
- The next step is to discuss the design with the UKSPF Working Group and seek their recommendations. The Working Group cannot meet until it is formed at the next Policy and Finance Committee (17 June).
- RVBC have a 2025/26 UKSPF allocation which is mostly yet unallocated.
- Once the UKSPF Working Group has met and provided their views on the way forward, approval will be sought from the Policy and Finance Committee.

Cllr. Jackson noted that the minutes of the 1 April RVBC's Policy and Finance Committee stated that the design proposals had been shared with the Town Council, this is incorrect as they were only shared with Cllrs. Walker and Rogerson.

2. Cllr. Rainford updated members on issues related to John Smiths Park as they related to waste bins, litter, gates and the poor condition of the play area.

RESOLVED THAT COUNCIL:

- a. Note the updates from Cllrs. Rogerson and Rainford.
- b. Authorise the Clerk to ask the RVBC Clerk to amend the minutes of the 1 April Policy and Finance Committee to state that only Cllrs. Walker and Rogerson had seen the concept design.
- c. Request the Clerk to contact RVBC regarding issues relating to John Smith's Park and litter picking in General.

The report and Appendix 1 to the report, present the financial performance of Longridge Town Council for the financial year ending 31 March 2025. It outlines the total income, total expenditure, and the resulting balance of the accounts, ensuring transparency and accountability.

The figures comply with the Local Government Transparency Code and are subject to internal and external audit.

2. Summary of Financial Position

The Council's financial activities are funded primarily through the precept (a portion of council tax), grants, and other income sources such as fees and charges.

2.1 Income

Precept (Council Tax): £94,077

The precept, approved in December 2023, represents the primary funding source, collected via Ribble Valley Borough Council.

Other income streams include:

Grants: £3,037. Includes specific grants from LCC and RVBC.

Fees and Charges: £11,725. Includes rent from the Old Station Café, income from allotments and income from lettings.

Total from all income streams = £163,004

2.2 Expenditure

Expenditure was allocated across key service areas to support the Council's priorities, including community services, environmental maintenance, and administration. Major categories include:

- Utility Charges (Electric, Gas Water) = £10,252
- Staff costs including payments to HMRC = £31,011
- Cleaning/Maintenance/CCTV = £8,824

Total expenditure: £156,748

3. Balance of Accounts

The Council started the year with a balance of:

- £107,227 from the NatWest Business Reserve
- £5,000 from the NatWest Current Account
- £114 from the Unity Trust Bank

4. Key Financial Notes

Audit Compliance: The Annual Governance and Accountability Return (AGAR) for 2024 was published and the public inspection period was held in line with transparency requirements.

Reserves Policy: Longridge Town Council holds its reserves in line with those set out in the Joint Panel of Accountability and Governance March 2024 (p38 5.31-5.39) in that they are maintained at between three and twelve-months Net Revenue Expenditure.

Future Considerations: The Council is mindful of rising costs due to inflation, potential increases in administration costs and additional costs that may occur due to the Council taking on board the community garden project. In addition, the Council is aware that substantial changes may occur as a consequence of local government devolution. Preparations for the 2026-27 budget will consider these financial pressures.

5. Conclusion

Longridge Town Council has delivered a balanced budget for 2025-26, achieving a modest surplus while maintaining high-quality services for residents. The financial position remains stable, with reserves available to support future community initiatives.

We thank our residents, staff, and councillors for their continued support in ensuring Longridge remains a vibrant and well-managed town.
